

## Job Description

Job Title: <b>School Psychologist</b>	Status: <b>Outside Contractor</b>
Location: White Plains, NY	<b>Part-time</b>
Start Date: October 2019	Reports to: Head of School

### Job Summary/Objective

GISNY seeks a dedicated, bilingual psychologist to join our staff. We serve a diverse multi-lingual community including students, parents and teachers.

We need the services of a school psychologist to provide services both on site and off site.

### Essential Functions

To provide parents and/or students with psychological services on an emergent basis.

Provide ongoing support on a non-emergent basis.

Provide evaluative services in consultation with teachers.

### Competencies

Licensed professional psychologist under NY State Law with at least 5 years prior experience, working in a school or youth services setting with children and young adults.

Qualification and experience to administer educational evaluation testing.

Warm, collegial and supportive approach to working with the community.

Please submit complete application including resume and credentials by Oct. 15<sup>th</sup> to Mr. Lars Hierath, Head of School [lhierath@gisny.org](mailto:lhierath@gisny.org)
