

GISNY Daily Health Screening Policy

All students, faculty, staff, and contractors including food and cleaning service and any visitors will need to complete the daily screening questionnaire and temperature check prior to their arrival at school.

If a student, faculty, staff member or contractor has a temperature greater than 100.0° / 37.8°C or otherwise screens positive on the daily questionnaire, they will be prompted to stay home, and will be referred to their healthcare provider. Information will be provided for COVID-19 testing.

In order to return to work, faculty and staff must follow the New York Interim Guidance for Public and Private Employees Returning to Work Following COVID-19 Infection or Exposure: https://coronavirus.health.ny.gov/system/files/documents/2020/06/doh_covid19_publicprivateemployee_return_to_work_053120.pdf

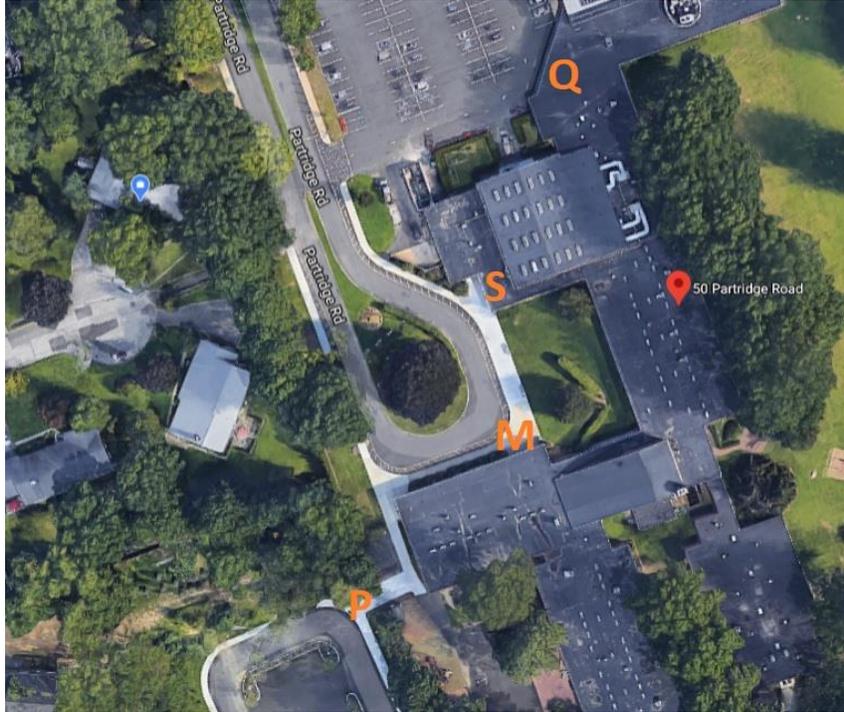

Students (parents for their child), faculty and staff are asked to fill in the health screening questionnaire online using their @gisny.org address

Screening

The screening questionnaire on the website for each day and the pdf version can be accessed with this QR-Code and link

<https://www.gisny.org/community/covid-19-response>

3 Entrances will be staffed from 8:00 am until 8:30 am every school day (Main (M), Side (S) and Playground (P)). After 8:30 am only the Main entrance will be open (M). All other outside doors may only be used as exits. Please refer to the policy document “Transportation, Dropoff, Pickup” to determine which entrance should be used by your child.

Anybody not able to show a paper or e-version of his screening result performed prior to coming to school will be asked to proceed to the waiting area (Q) from where they will be processed for entry thru the main entrance in order of appearance. Those who are able to show the result will have priority to enter the building.

All walkways in and outside the school will be divided into Entry and Exit lanes with 6 foot spacers in the form of arrows coming or going.

Students developing any of the symptoms described in the health screening questionnaire while in school will be asked to wait in the waiting area marked Q above, the entrance to the gymnasium. Their emergency contact will be notified and asked to pick up the child as soon as possible. Monitoring of the child will be thru the glass exterior of the waiting area.
